SCAVENGER HUNT

How to Participate: Instructions can be found at:
picnicday.ucdavis.edu/103scavhunt

Participate in the 5th Picnic Day Scavenger Hunt!

The Scavenger Hunt is a fun way to attend Picnic Day events and win prizes. Simply find QR codes posted at the specified locations, and scan with your smartphone. Prizes will be given to the top 20 people to finish. Please refer to the rules on how the ranking is determined.

There will be 3 grand prize winners, and runners-up will receive various prizes. A big thank you to the Mondavi Center, The Good Scoop and Baskin-Robbins for helping sponsor the Scavenger Hunt.

Rules and important things to know:

1. Contestants need a smartphone or another capable device to scan the QR codes. A QR code app is required to scan QR codes.
2. Groups of 2 or more may enter the scavenger hunt together, but only one prize will be given per smartphone/device.
3. The scavenger hunt will begin at 9:00AM on Picnic Day and end at 3:00PM.
4. If you think a QR code poster is missing from one of the locations, please contact Picnic Day Headquarters at 530-752-6320.
5. Prizes will be given out based off of who gets all the locations. In the event that multiple people get to all the locations, the winners will be determined based on the finish time.
6. If no one visits all the hot spots, the winners will be determined by the highest number of locations scanned in the least amount of time.
7. Winners will be contacted by 3:00PM. Please pick up your prize at the Fielder Room on the 2nd floor of the Memorial Union between the time you are contacted and 5:00PM.
8. In order to participate in the scavenger hunt you must scan the QR code below

Message from the Chair and Vice Chair

The 2017 Board of Directors welcomes you to the 103rd Picnic Day! This year our theme is “Growing Together,” which highlights how our campus has grown since it began in 1908 as the University Farm School and how the campus and City of Davis, which is celebrating its centennial this year, have grown together. In addition, with Picnic Day being on Earth Day, the theme highlights UC Davis’s strides towards sustainability, as we rank as the #1 sustainability school in the world!

In this Schedule of Events, you will find all the events and exhibits on Picnic Day that showcase some of what UC Davis has to offer. We encourage you to “leaf” through this to see what interests you! With over 200 exhibits, entertainment shows, and animal events, there is something for everyone!

Picnic Day is made possible with the support of University staff, campus officials, alumni, students, and community members. We hope you enjoy the 103rd Picnic Day as much as we have enjoyed planning it!
Welcome to the 2017 UC Davis Picnic Day!

As one of the leading public universities—not just in California or in the country, but in the world—UC Davis has much to show, celebrate and share.

What's to be shared come in various forms—exhibits, events and activities. Starting with the parade, there will be over a hundred events and exhibits organized by UC Davis departments plus activities for children, students, alumni and community visitors from all over the state.

What adds to Picnic Day's uniqueness is that it is completely run by hundreds of dedicated, hardworking students who epitomize the spirit of UC Davis. We're glad you can join us to enjoy this great day.

Dr. Isao Fujimoto

I am excited to serve as your Parade Marshal this year. I've enjoyed participating in Picnic Day since I first arrived at Davis two decades ago.

There are so many great activities going on today. My son especially enjoys seeing all the animal shows and exhibits. Whether you are a college student, alumni, or visitor to UC Davis, I know you'll find a number of excellent activities today.

As a chemistry faculty member, I want to recommend the Chemistry Show put on by our department every year. It's a crowd-pleaser, even for those with an aversion to chemistry. Make sure to get in line early to get your tickets.

Have a great day!

Dr. Bryan Enderle

Welcome, all, to Picnic Day 2017!

Picnic Day is a one-of-a-kind, can’t-miss UC Davis "Open House" that showcases the great breadth and high excellence of what UC Davis and the city of Davis have to offer.

It stands out among all UC Davis traditions as the opportunity for Aggies and city residents to celebrate their longstanding friendship and partnership amidst the impressive venues and natural beauty of our campus. To honor the historical and mutually beneficial relationship between university and city, the theme of this year’s Picnic Day is Growing Together.

Picnic Day is about so many things, but chief among them is our university community. This beloved event provides an excellent opportunity to celebrate those things that define UC Davis: a passion for intellectual discovery; cutting-edge research and creative achievement; diversity of ideas, priorities, and backgrounds; and working for the good of others and for the planet, among other qualities. Picnic Day also allows us to celebrate the university’s accomplishments and impact, which this year happily include many new recognitions of our academic excellence as well as the unprecedented success of our men’s basketball team!

Enjoy your day, and Go Ags!

Sincerely,
Ralph J. Hexter

Message from Parade Marshals

Message from the Interim Chancellor

Message from UC Davis & City of Davis Police Departments

Welcome to the 103rd Picnic Day! We are extremely pleased you could join us for our annual open house and hope you experience all the campus and City of Davis have to offer. Because we very much want you to have an enjoyable and safe visit to the campus, as well as the City of Davis, we would like to give you some helpful information which we hope will make your visit memorable for all the right reasons:

- If it’s hot outside, remember to drink plenty of water and stay well hydrated.
- Don’t leave anything valuable lying about unattended.
- Ensure you have a “check in” point identified, in case you lose family or friends during your travels.

Alcohol IS NOT ALLOWED on campus, no matter what your age. We have ZERO TOLERANCE for use or possession of alcohol on campus and will be vigorously enforcing use and possession laws. Off campus, you must be 21 years of age to carry or possess any amount of alcohol. No person, regardless of age, can possess any open container of alcohol on any street or sidewalk in the City of Davis. Possession of alcohol is also prohibited in many public parks and open space areas.

The Davis and campus police will vigorously enforce all alcohol, party, and noise prohibition ordinances. And, on Picnic Day, many fines are doubled for illegal behavior—including alcohol violations. There are dozens and dozens of events occurring on campus throughout the day. Explore the campus and experience the richness of diversity and achievement at UC Davis and the surrounding community in the areas of research, teaching, service, and both campus and college-town life. Finally, we hope that all residents and visitors take the Picnic Day pledge and conducts themselves responsibly during Picnic Day 2016, so that other students, faculty, staff, community members, and guests can also enjoy the day. Through safe and healthy decisions, Picnic Day will be preserved for future generations of Davis students and the community. As campus events end, feel free to dine in some of the great restaurants located all around Davis. Please, help us keep the event safe, fun, and memorable for all the right reasons.

FUN FACT

This year the City of Davis celebrates their centennial.
Friends of Picnic Day Endowment

In May 2011, Tom and Meg Stallard, both former Picnic Day board members, were honored to receive the UC Davis Foundation’s Charles Soderquist Award, which is given in recognition of volunteer leadership and support of philanthropy at UC Davis. The Soderquist Award comes with a $5,000 prize, which recipients designate to the university program of their choosing. Tom and Meg chose to use the prize to establish the Friends of Picnic Day Endowment. “We have established the Friends of Picnic Day Endowment with the hope that it will help refocus the event on its original purpose — to provide a day of fun that unites campus and community and showcases the many contributions that UC Davis is making in the region, across the country, and around the world,” the Stallards said.

Throughout the past year, a number of others have made additional gifts to the Friends of the Picnic Day Endowment. Most notably, the endowment recently received a $38,000 gift from the Victor Chu Estate. Coming back to campus for Picnic Day with his family was an annual tradition that Dr. Chu, a double alumnus, loved.

If you are interested in making a gift to the Friends of the Picnic Day Endowment or making a donation to Picnic Day you can do this online. Your support will join in the tradition that has been vital to Picnic Day continuing to be the cherished event that it is.

Support a Timeless Aggie Tradition

Since its inception in 1909, Picnic Day has become the crown-jewel event of the UC system and the signature event of UC Davis. Believed to be the largest student-lead event in the nation, Picnic Day showcases the richness of diversity and achievement at UC Davis and the surrounding community in the areas of research, teaching, service, and campus life.

Gifts to Picnic Day provide needed financial support to continue this tradition signature event of UC Davis, showcasing the rich diversity of programs and achievement in research, teaching, service and campus life.

PICNIC DAY 2017

PICNIC DAY PLEDGE

In a manner reflective of Aggie Pride, I pledge to:

- Conduct myself responsibly at Picnic Day 2017.
- Respect other students, faculty, staff, community members, and guests to ensure a positive Picnic Day experience.
- Make safe and healthy decisions.
- Step up and speak out in any situation that could potentially cause harm to another person or myself.
- Support and encourage others to take responsibility for preserving Picnic Day for future generations of Davis students and the community.

PICNIC DAY COVENANT

Thank you to the Davis businesses who have supported Picnic Day by signing the Covenant. It is with their support that we can have a more safe and family friendly event. Check our website for the list of businesses at https://picnicday.ucdavis.edu/business-covenant/

ZERO WASTE CAMPAIGN

The Quad and the Silo are part of the Zero Waste campaign on Picnic Day, where the goal is to recycle and compost as much waste as possible. Recycle your soda can or water bottle and compost your food scraps at one of our zero waste stations at the Quad and Silo!

* All zero waste events are identified with the icon above.

SMOKE AND TOBACCO FREE

UC Davis is a 100% smoke and tobacco free campus. Learn more at: https://breathefree.ucdavis.edu
